

Fostering early childhood development through music and music education.

Makin' Music Curriculum

CURRICULUM GUIDE BOOK

The full color guide book explains the curriculum objectives, how to use musical props with the music, suggestions for special needs activities, suggestions for adapted instruments, and suggestions for homemade instruments. It makes using the curriculum easy for any teacher or parent.

SIGN LANGUAGE GUIDE BOOK

Sign language has many well researched benefits, such as increasing verbal communication and improving children's ability to successfully communicate their wants and needs. This guide book features photographs and descriptions of the signs most frequently used in our songs and curriculum.
